Background

- Lifelong Resident of Hyrum City
- Retired with the Federal Government. Served 28 years with both the USAF and NASAp
- Graduate of USU '83 BS Degree in Production Management/Industrial Engineering
- Successful Small Business Owner since 1985
- Eagle Scout, 5 palms

Leadership

- Business Manager, NASA Resident Management Office Responsibilities included oversight of Budgets, Finance, Contracts and Government Owned Property of the Space Shuttle SRM Program
- USAF Contract Administrator and Negotiator
Certificate of Designation for Contract Management
And Contract Law
- Served as Team Lead in various Government Contract Negotiations
- Served as Hyrum City Youth Mayor '78-79
- Held numerous leadership positions in the Scouting Program

Having lived in Hyrum the past 63 years, I'd like to contribute to the community by integrating my Government Work Experience, Background , and Leadership Skills to the residents of Hyrum by serving as a City Council Member.

As a 6th Generation Resident, I stand for Responsible Growth that would enable and Maintain our "Small Town Atmosphere" with Accountable, Fiscally Responsible and Equitable Leadership
