Mayors Message – Occasionally, I have citizens ask for volunteer opportunities. More information is available by contacting the Hyrum City Library, Museum, Senior Center, Parks Department or the City Offices. Maybe you are interested in volunteering for a few hours or planning to volunteer weekly or monthly. Opportunities to volunteer for specific projects like our Youth Sports Programs, our Fourth of July "Star Spangled Celebration" and our Hyrum Holiday the first week in December will be posted on our website & Facebook page.

Opportunities to volunteer are also available on our Planning Commission, Library Board, Youth Council, Senior Board, Tree Board, Museum Board, Hyrum Heritage Foundation Board, and Historic Preservation Commission – contact Hyrum City if you would like to be considered when openings are available.

Serving others in our community can be a fulfilling way to live and make a positive impact. When you share your time and talents with others, you create a vibrant community where everyone can thrive. Even small efforts can lead to significant changes in the lives of others.

Sincerely – Mayor Stephanie Miller

Is Your Sump Pump Connected to The City's Sewer System?? Hyrum City wants to be prepared for the spring run-off. We need your help to eliminate sump pump water from being discharged into the City's sewer system to prevent sewage back-up into your home and others around you. Many homes rely on a sump pump to convey groundwater away from the structure's foundation. However, Hyrum City prohibits these sump pumps from being connected to the City's Sewer System directly or indirectly. Please check to see that the discharge for your sump pump follows these general guidelines and regulations. Ensure that sump pumps are not connected to sanitary sewer directly or indirectly. The hose or pipe from the sump pump should discharge the flow onto your own property. Do not discharge your neighbor's property. Avoid discharging the sump pump to the street. If you have questions or concerns about your sump pump or a neighbor discharging into the City's sewer system, please contact the City Offices at 435-245-6033.

All dogs shall be vaccinated against rabies. The provisions of this section do not apply to animals owned by a licensed research facility or held in a veterinary medical facility or a licensed government operated animal shelter, a rescue agency or authorized foster care provider.

1. Application for a license must be made within thirty (30) days after obtaining a dog over four (4) months of age, except that this requirement will not apply to a nonresident keeping a dog within Hyrum City for no longer than thirty (30) calendar days. Temporary dogs must have a valid rabies certificate and are subject to all other ordinances, rules and regulations while in Hyrum City, pursuant to the provisions of this title. The city shall provide applications for a dog license and shall include the name and address of the owner and the name, breed, color, age, and sex of the dog. Applicants also shall pay the prescribed licensing fee and provide proof of current rabies vaccination.

Museum News - Did you know that the word "cache" comes from the French word "cacher" (pronounced cash-AY), which means "to hide"? When the mountain men began to cache their furs while trapping throughout this valley in the early 1800s, they began referring to it as "Cache Valley," and the name stuck! This month for our Super Saturday on March 22nd we will be highlighting our exhibit, "Caching In," and will have a fun art activity for everyone while the museum is open from 10:00 a.m. to 3:00 p.m. Then we'll learn more about beavers and why the mountain men came to trap them during our Back in Time children's activity, "Let's Rendezvous!" on March 25th--27th from 1:00--1:30 p.m. each day. All children are welcome to experience what a rendezvous was like and take home a little piece of history!

The Hyrum City Museum's Advisory Board consists of community volunteers who serve four-year terms, attending monthly meetings, helping with programming, exhibits, and special projects, and serving as crucial advisors providing insights and connections to the community. With the new year we are welcoming two new board members: Sue Watts and Mark Sanders. We are very excited to work with them over the

coming years! We also want to thank Montana Delao and John A. Petersen for their service on the board. Montana served for two years and was an important and helpful part of our team. John has served on the board for over TWELVE years and his efforts have tremendously impacted our community. Among the many projects he spearheaded are our Veterans Scrapbook, Oral History Program, Hot Wheels in Hyrum, and Cold War Veterans Victory Medal Pinning Ceremonies. John will continue to advise as an ex-officio board member and we sincerely appreciate his many years of dedicated service.

Looking ahead, be sure to mark Saturday, June 7th on your calendar for the museum's TWELFTH annual car show fundraiser, Hot Wheels in Hyrum at the Hyrum City Square. If you have an awesome vehicle you want to register, visit www.hyrumcitymuseum.org or stop by the museum to fill out a registration form, it's only \$20 and gets you a great goodie bag and early entry onto the lawn. Also, we are looking for a few more sponsors! So, if you want to support our FREE children's programming--- which is what most of the money raised during this fundraiser funds---visit the museum's website or contact courtney.cochley@hyrumcity.gov.

Please note the museum will be closed the entire week of March 11th—13th for cleaning, collections, and exhibit work.
