Fire Station Administration Building
Stormwater Drainage on 675 West

New Rodeo Bleachers
Asphalt Walking Trail at Salt Hollow Park
Senior Center Parking Lot

As we celebrate Independence Day, let us remember those forefathers who put in much time and effort to establish the Constitution and Declaration of Independence. They fought a great battle to establish the freedom and independence we enjoy today. Also, let us remember those who have and are working together to maintain peace and prosperity in this great country that we love!

Sincerely,
Mayor Stephanie Miller

2020 Star Spangled Celebration – Due to our current situation with the COVID-19 virus all events related to our 4th of July celebration have been canceled except, we are still planning on holding our city fireworks celebration on July 4th at 10:00 p.m. All social distancing restrictions at that date will be required and we will encourage residents to enjoy the fireworks in small groups inside vehicles, own yards, etc. We are tentatively planning on postponing the rodeo to a future date. For the most up-to-date information and modifications – please visit www.hyrumcity.com or Hyrum City's Facebook Page.

Senior Center News – The Hyrum Senior Center is still closed. We will be doing as many outdoor activities as possible. Library News – Tentative Hours: Monday – Friday 10:00 a.m. – 2:00 p.m. We will still provide hold pickup for those not wanting or not able to come into the library during these same hours. The library will be closed July 3rd, 4th & 24th.

As we practice social distancing the library will have a list of guidelines that will need to be followed, while in the library. Fewer patrons will be allowed in the library at one time, all children must be accompanied by an adult. We strongly encourage all patrons to wear masks and limit the amount of time spent in the library. More on this will be available on our website, and social media platforms @hyrumlibrary.

All in person programs are canceled until further notice. Which includes activities that go along with summer reading. We have signed up with an online program called Reader Zone to track your progress with summer reading goals, and of course we will still have prizes! More information about these changes to the summer reading program can be found on our website along with social media.

Museum News – Did you know that intense rainstorms caused Hyrum City to cancel July 4th celebration activities in 1902? However, the weather did not dampen the citizens' spirits as they celebrated with their families and decorated their homes. Particularly impressive was a brand-new business on Main Street called Hyrum Drug, which displayed beautiful red, white, and blue decorations. While we can't gather together as a community this July 4th, be sure to take some time to reflect on this nation and our freedoms. As part of the museum's summer-long children's activity, we will be posting information on our website and Facebook page about the American flag on July 4th at 1:00 p.m. While we will miss displaying the historic flags at the Elite Hall this year, we hope that you will take this opportunity to create a fun new tradition with your family.

All children who would like to participate in our Passport to Summer Fun program are invited to join in! Just drop by the museum to pick up your packet and get started. In lieu of drop-in activities, we will be posting videos online (visit www.hyrumcitymuseum.org or our Facebook page) and everything you need is in the packets. We are also happy to mail packets to you, just call or email us.

As we continue to ride the Corona wave, the museum's hours are likely to fluctuate throughout the summer. Please check www.hyrumcitymuseum.org or our Facebook page to double-check our hours before you visit! We are following all state health guidelines and working hard to ensure the museum is a safe place for our community, so we hope to see you soon.

The museum will be closed Saturday, July 4th and Saturday, July 25th.
