Mayors Message – We live in a beautiful place with many opportunities for recreation all around us. I want to tell you about trails Hyrum has developed for all walkers and bikers to enjoy. The trail head for these trails are at the mouth of Blacksmith Fork Canyon. You can park in the pull out area on the north side of the road, or you can take the trail that begins at Hammer Road and follows Highway 101 until it connects to the Blacksmith Fork River Trail. It is 60% complete and plans are to have it fully completed by early summer.

The Blacksmith Fork River Trail can be accessed by crossing the road from the parking area to the bridge which spans the Blacksmith Fork River. The trail follows the river up the canyon for 2 ½ miles. It is open year-round and is used for those walking, running, biking, snow shoeing and cross-country skiing.

The Bonneville Shoreline Trail starts north of the parking area. It follows the deer fence along the mountain to Millville and will eventually connect further. This trail opens after the second Saturday in April and closes on the first of January.

I hope you will take time to enjoy the many things there are to do here in Hyrum.

Sincerely,
Mayor Stephanie Miller

Everyone is welcome, but please remember that children must be supervised at all times and please no food or drinks other than water.

Winter Parking Restrictions – Parking is not allowed on city streets or within ten feet of roadway pavement in any municipal right-of-way between the hours of 12:00 midnight and 8:00 a.m. unless such vehicle is in a driveway approach or otherwise parked behind the curb where curb exists. This law allows for snow removal and is in effect between November 1st and April 1st, even when there is no snow.

What is a Cross Connection? – A cross connection is defined as any real or potential connection (piping configuration) between the public water system or your drinking water and a source that can allow contaminants or pollutants to backflow into the public drinking water system.

Wellbeing Survey – Hyrum City is participating in the Utah Wellbeing Project led by Dr. Courtney Flint at Utah State University. Given the rapidly changing landscapes and populations in Utah, this survey will provide key information to city leaders about the wellbeing of residents and issues important to them. All adult residents of Hyrum are encouraged to take the online survey by going to this link: <https://tinyurl.com/tefkdd6>. The survey should take approximately 10 minutes. It's anonymous and voluntary. If you have questions about this survey and the USU Project, please contact the project director, Dr. Courtney Flint at 435-797-8635 or courtney.flint@usu.edu. This survey has been approved by USU's Institutional Review Board (#9223) and Hyrum City.

Museum News – Did you know that women from our community such as Jane Hyde Molen were part of the national movement 100 years ago to secure women's suffrage? Jane helped advance Hyrum in many ways including serving for over twenty years as the Primary President of the South Cache Stake of Zion, as a teacher, and as a public speaker. Janes was known for

being dependable, faithful, willing, intelligent, and resourceful. Be sure to visit our new exhibit Historic Hyrum Women to learn more about Jane and other women in Hyrum who have had significant impacts on our community! This exhibit will be on display through June.

The museum's big annual fundraiser is back for its eighth year! Hot Wheels and Hot Dogs will be Saturday, May 30th from 10:00 a.m. to 3:00 p.m. on the Hyrum City Square. If you are interested in sponsoring the event contact the museum. Vehicle registration and vendor booth applications are now available at the museum or at www.hyrumcitymuseum.org.

Finally, the Hyrum City Museum depends on the support, time, and insights provided by its advisory board, which consists of extraordinary community volunteers. We thank outgoing board members Doug Nielsen and Chelsea Moultrie for their dedication and efforts to support the museum's mission. They each brought their own talents and ideas to the board and played key roles in making the museum a better resource for our community.
