**Mayors Message** – “Walking Works” is a month long event in May sponsored by the Bear River Health Department. They want to encourage community members to experience the physical, mental, and social health benefits of walking. Walking will prevent or manage various health conditions, including heart disease, high blood pressure and type 2 diabetes.

In support of this event, I will host a Mayor's Walk for anyone who would like to participate. The walk will be on Saturday, May 21<sup>st</sup> at the Salt Hollow Park Trail, located at approximately 350 West 200 South. The mile long walk will begin at 9:00 a.m. I hope you will join me to support the good health of our community. You can find other ways to participate at the Bear River Health Departments website: [www.brhd.org](http://www.brhd.org) and further into this newsletter.

Sincerely,  
Mayor Stephanie Miller

**Museum News** – We are very excited to announce that the Hyrum City Museum has been selected to be one of six museums in the state of Utah to host the Smithsonian's traveling exhibit "The Way We Worked" in the spring of 2017. We are looking for volunteers who are interested in helping before and during this exhibition. We are in particular need of docents, which comes from a Latin word meaning "to teach." Docents will be trained to assist visitors through the exhibit and also help with other museum tasks. Museums that host this exhibit see a dramatic rise in visitorship and so we are asking for your help. Please contact Jami at 245-0208 or [museum@hyrumcity.com](mailto:museum@hyrumcity.com) if you are interested in volunteering.

**Bear River Health Departments “Walking Works” Challenge** – During the month of May Mayors from cities and towns across northern Utah are encouraging communities to walk. Join the Walking Works Challenge; it is as easy as one, two, three:

1. Register at [www.brhd.org](http://www.brhd.org) (starting April 11<sup>th</sup>).
2. Connect any wearable device or phone app to track your steps.
3. Get walking to win great prizes.

Let's see how far our community can walk during the month of May.

On May 20<sup>th</sup> join us for a few steps at the Logan Mayor's 1-Mile Walk, beginning at noon at the west entrance of the Logan City Library. No registration is required for this event, however the first 200 participants to arrive will receive a reflective armband.

Walking is a great way to improve health, find new trails or paths, spend time with friends and family, or identify safe routes to school. Please call the Bear River Health Department at 792-6510 for more information.

**Burn Permits** - If you have clippings, bushes, plants and pruning's from trees you would like to burn, please remember you must first obtain a burn permit. Every day the clearing is checked with the Utah Division of Air Quality to determine if burning will be allowed.

Permits may be issued between March 30<sup>th</sup> and May 30<sup>th</sup> and between September 15<sup>th</sup> and October 30<sup>th</sup>.

Additional information and the burn permit application can be completed online at [www.cachecounty.org](http://www.cachecounty.org) by clicking the flame image in the I Want to section or by calling 800-458-0145. If your fire extends beyond your control you should immediately call the fire department at 911.

**Pressurized Irrigation** – The irrigation companies are busy cleaning the garbage and debris out of the ditches to provide us with irrigation water as soon as possible. Look for the irrigation water to arrive between the 1<sup>st</sup> and 15<sup>th</sup> of May.

**4<sup>th</sup> of July Parade** – We are just a few months away from this year's parade and 4<sup>th</sup> of July Celebration. This year we are making a few changes to the parade. Horse Entries: Must provide a 'pooper scooper' if your entry includes horses. Bands: We want more bands. If you know of others who are interested in participating, please have them apply. Business Entries: in past years we have seen an increase in the number of businesses participating – which is great. We do encourage you put together an entry vs. just 'driving a company vehicle down the road.' Make it fun! If you still want to drive down the road in a company vehicle, we are requesting a \$25 donation to either the Hyrum City Library or the Elite Hall Restoration Fund. Parade entry forms are available at [www.hyrumcity.com](http://www.hyrumcity.com).
