Mayors Message – We live in a place where there are many opportunities for recreation. There are activities we can do even with the winter weather. The library has many great books, movies, and cd's. Learn more about the history of Hyrum by visiting the museum. The Senior Center offers a variety of activities as well. Drive up Blacksmith Fork Canyon to Hardware Ranch where you can see the elk and stop at the visitor's center. Try ice fishing at Hyrum Reservoir. No matter the time of year, we can enjoy those things that living in this great community offers.

I welcome you to learn more about what is happening in Hyrum by attending our city council meetings the first and third Thursdays of each month at 6:30 p.m. Regularly check the city website for information and upcoming events. If you are interested in receiving calls about events in our community, call the city office and sign up to get the calls.

I appreciate the opportunity to serve as your Mayor. I'm here for you, so let me know if I can help in any way.

Winter Parking Restrictions – Parking is not allowed on city streets or within ten feet of roadway pavement in any municipal right-of-way between the hours on 12:00 midnight and 8:00 a.m. unless such vehicle is in a driveway approach or otherwise parked behind the curb where curb exists. This law allows for snow removal and is in effect between November 1st and April 1st, even when there is no snow.

Dog Licenses – Any dog(s) six (6) months or older is required to be licensed with Hyrum City. Dogs are required to be licensed even if they stay inside your home or never leave your yard. The license fees are as follows:

Neutered/Spayed dogs - \$8 Male dogs - \$12 Female dogs - \$15
A veterinarian certificate is required to verify rabies vaccination and the dog being neutered or spayed. All dogs must be licensed by Friday, February 27th. After February 27th a \$10 late fee will be assessed in addition to the regular license fee. Owners will be issued a citation for failure to have his/her dog properly licensed. Also, please remember that City Ordinance permits a maximum of **two dogs per household.**

Hyrum History Book – Stop by the City Office to purchase your copy of the new Hyrum History Book available for \$38 each. We are super excited to finally have a record of the history of Hyrum from the 1970's to today. Special thanks to those who served on the committee or provided information to make this book possible.

Star News – On January 5th Chad Jensen took oath as the new Cache County Sheriff. He is the first new sheriff since 1998. Sheriff Jensen has been with the office for 23 years and worked in numerous positions in the office. For a number of years he was the commander of the SWAT team and was promoted to Lieutenant in 2004, where he was Lieutenant over the patrol and jail divisions. Several areas of focus for Sheriff Jensen are community policing and an open line of communication with the public and deputies. Sheriff Jensen is excited to take on this new responsibility and looks forward to serving the citizens of Cache County.

If you have any law enforcement questions or concerns please contact Deputy David Peatross at 755-1000 or dpeatross@cachesheriff.com.

A big thank you goes out to two new Eagle Scouts who did their projects for the library. Austin Clarke conducted a book drive – there were many great items donated and we appreciate his hard work. The library also has a new board book display case in the form of a

pig, built by Kaleb Higbee. The pig joins our alligator and hippo in the children's section. Also, thanks to Margaret Johnson for painting the faces and embellishments on our animals.

Museum News – Show your LOVE for the Hyrum City Museum and Library by stopping by on Saturday, February 14th. Join us as we commemorate the 100th Anniversary of South Cache School with a presentation and exhibit. In the fall of 1915, 100 high school students began attending class at the newly constructed school and over the years it has transitioned into a junior high, a middle school, and even a freshman center. So, if you remember your legs aching after walking up and down three flights of stairs on your first day or dancing in the gym under the auditorium, then you can't miss this presentation at 10:00 am in the museum. We will journey back through 100 years of academics, sports, and social activities, share photos and experiences, and compare yearbooks and memories. Plus, you can stop by the library for some new books and goodies too!

Our Back in Time children's activity this month will be February 24th, 25th, and 26th from 2:00-2:30 p.m. We know its winter outside, but it's CHILE in the museum! Warm up with us as we listen to Chilean music, dance the Cueca (Chile's national dance), learn about geography, complete an art project, and have a delicious Chilean treat. Sign-up is preferred, 245-0208 or museum@hyrumcity.com.

Finally, with the New Year comes new terms for the museum advisory board. First, the most heartfelt thanks goes to Carma Carlsen for her time, energy, ideas, and efforts over the last two years. She has been a fantastic board member and we have truly appreciated the invaluable service she has performed. Madelene McBride has agreed to join the board to fill Carma's open position and we are very excited to welcome her to the team! The museum board members adeptly offer tremendous service to the local community and we are lucky to have each one; John Petersen, Tom LaBau, Steve Downs, Joan Palmer, Claude Long, Doug Nielsen, and Madelene McBride.
