Mayors Message – Did you know that the city has a website? www.hyrumcity.com This website offers information on: the library, museum, cemetery, senior center, make reservations for city facilities & campgrounds, recreation registration as well as game schedules, city council & planning commission meeting times and agendas, news & events, city codes, contact information for elected city officials, reporting a problem, pay your utility bill, view local business information, volunteer opportunities and more. You can also sign up to

receive reverse calls from the city to inform you of upcoming events, utility problems (estimated time to fix them), and notification of other emergency situations. Take some time and become acquainted with our website.

The new city offices are being constructed as an addition on the west side of the library & museum. We anticipate completion the end of October or early November. The Civic Center will remain but we have yet to decide what will happen with the vacant city offices once we have moved into the new building.

I want to express appreciation to Fran Bair, who works in the city office and Ginny Tremayne, the library director for their years of service they have given making Hyrum a great place to live. We wish them both the best with their retirement. They will be missed.

Thank you to those who made Hyrum's community booth at the Cache County Fair: Craig & Ellen Rasmussen and family; Pam Green; Brodee & Jaeden Carlson and Denise Maughan. You represented us well. Congratulations on winning the sweepstakes award. It will be exciting to see this display represent Cache County at the Utah State Fair!

Sincerely,
Mayor Stephanie Miller

Arbor Day Celebration – Saturday, September 26th 9:00 a.m. – Volunteer Pruning Project: Come help us whip some trees and shrubs into shape. We'll be meeting at City Hall to do some pruning under instruction from our volunteer arborist, Preston Colver. Bring hand

saws, pruning shears and loppers, and leaf rakes. No experience or tools necessary – there will be plenty of work for anyone who wants to help.

1:00 p.m. – Hyrum Community Bare-Root Tree Sale: Hyrum City is organizing a community tree purchase that will allow citizens to buy young, bare-root trees at wholesale prices. Dozens of species of trees, shrubs, and vines will be available at prices that come to as little as \$1.50 each and for the most expensive options, not much more than \$10 each*. Our arborist will hold an info session at the Elite Hall at 1:00 p.m. All orders will be finalized later this fall and received Spring 2016.

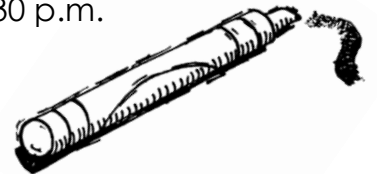

*The offerings are only sold in bundles and individual trees will be priced in relation to how many trees of each given species are desired.
