**Mayors Message** – The kids are back in school!! We have a new traffic light at the intersection of 800 East & 300 South by Mountain Crest which will make traffic flow better and improve safety for pedestrians as well as vehicles. Hyrum City hires crossing guards for the elementary schools. Debbie Jewkes is the crossing guard at Lincoln Elementary. Shalyn Maxfield & Heidi Pearce are crossing guards at Canyon Elementary. As you plan your child's safe route to school, we hope you will encourage them to cross safely where a crossing guard can assist them. Their safety is very important!

As drivers we need to be aware and alert in school zones. A reminder that the speed limit in a school zone is 20 miles per hour. In a school zone, a vehicle must come to a complete stop if a pedestrian is in the crosswalk. If a vehicle is stopped for a pedestrian, another vehicle may not pass the stopped vehicle but must also stop. A vehicle must yield to a pedestrian in a marked or unmarked crosswalk or intersection if that pedestrian is in the roadway. A vehicle crossing a sidewalk (such as a driveway or parking lot entrance crosses a sidewalk) must yield to a pedestrian on the sidewalk. If a school bus, has it's flashing lights on, it is illegal to pass it. Allow yourself extra time to get where you are going. I wish all children, school teachers, and staff a great school year!

Sincerely,  
Mayor Stephanie Miller

**September 11/National Day of Service** –

National Day of Service & Remembrance (9/11), is a chance to help others in tribute to those killed and injured on September 11, 2011, and those countless individuals who serve to defend the nation's freedom at home and around the globe. September 11, 2021 is the 20<sup>th</sup> Anniversary of that tragic day. Please, join Hyrum City on 9/11 Day – step forward to serve in a remarkable spirit of unity, honor, and compassion.

Churches of many faiths are organizing a day of service on Saturday, September 11, 2021. Volunteers are needed to clean headstones and explore family history at the Hyrum City Cemetery. Visit [www.justserve.org](http://www.justserve.org) for more information & to register, or for other service projects. Remember, even a small act of service is a giant act of patriotism.

**Library News** – Library Hours: Monday - Friday 10 a.m. – 7 p.m. and Saturday 10 a.m. – 3 p.m. Contact us at 435-245-6411 or [hyrumlibrary@gmail.com](mailto:hyrumlibrary@gmail.com). We will be closed, Monday, September 6<sup>th</sup> for Labor Day. The library is operating as normal, however, we do encourage those who are feeling sick to stay home, and utilize contactless hold pick-up.

The Utah State Library has awarded the library new library cards. We are asking everyone to make time and pick up your new card. If you have questions, please give us a call. Checking out items may take a little longer than normal as we update your information and swap your card number. We are excited to start our fall programs. Check out our social media accounts @hyrumlibrary closer to September for program information & dates.

**Museum News** – Did you know that there's a Smithsonian exhibition in Hyrum right now?!? Visit the museum to see "H2O Today" to explore the beauty and essential nature of water in Utah through immersive content, interactives, and digital media. Twenty years ago, Hyrum hosted another Smithsonian exhibition entitled "Yesterday's Tomorrows" at the Elite Hall, which featured wedding dresses from the 1940's and '50s salvaged from Maud's by Linda Christiansen just days before the building was demolished. Some of the dresses were auctioned off to benefit fundraising for the museum/library building. However, many are still housed in the museum's collections, along with artifacts from Maud's, to ensure that they are protected and preserved for decades to come. The museum is open on Tuesdays and Thursdays from 10:00 a.m. to 6:00 p.m., Wednesdays and the 2nd Saturday of each month from 10:00 a.m. to 3:00 p.m., and by appointment.

There are SO MANY wonderful events happening throughout the Bear River Heritage Area right now as part of "H2O Today" exhibition! Be sure to check out the online calendar at <http://bearriverheritage.com/h2o/> or follow H2O Today in the BRHA on Facebook and/or Instagram to make sure you don't miss anything.

Join us for tours of the 1932 Hydro Electric Power Plant for the museum's Second Saturday event on September 11<sup>th</sup>. Join us about six miles from the mouth of Blacksmith Fork Canyon (near AJ Park) to see how Hyrum has been making its own power since the early 1900's from 10:00—11:30 a.m. The museum will also be open so you can visit "H2O Today" from 10:00 a.m.—3:00 p.m.

We are excited to launch our 2021—2022 series of Back in Time children's activities this month IN PERSON! We'll be making some "Sandy Surprises" and learning about water and beaches on September 28—30 from 1:00—1:30 p.m. each day. These activities are free and all children are welcome. Please note that all visitors to the museum and our programs are welcome to wear masks and hand sanitizer is available. Please postpone your visit if you are sick or not feeling well.
