Mayors Message – It's a new year! At the beginning of a new year I like to reflect back on the past year and plan for the new year. It has been a year of happiness and a year of sorrow. When I focus on the positive, I more clearly see how many times of trial bless and strengthen our lives. I also recognize what an important part those around us have in our lives. It continues to amaze me at the service many do for others. I quote William James when I say, "Act as if what you do makes a difference. It does."

I hope this year we will be able to gather as a community again and celebrate the 4th of July! We are blessed to live in America! Many sacrificed their lives so that we may live with the freedoms we have today.

I appreciate the opportunity to serve another term as your mayor! Significant projects completed this year include: a new fire station; new rodeo bleachers; a big portion of Blacksmith Fork Park developed; replacement of old steel water lines; planning and construction of an upgraded Waste Water Treatment Plant; the completion of the substation on Hammer Road; new transmission lines out to West Point Dairy; continued work on the trail up Blacksmith Fork Canyon; new check valves in the irrigation department; replacing sumps on 300 South; and many new subdivisions approved and developed.

It's my hope that the year 2022 will be a good year for you! Happy New Year!!

Sincerely,
Mayor Stephanie Miller

Parking Restrictions - Parking is not allowed on city streets or within ten feet of roadway pavement in any municipal right-of-way between the hours of 12:00 midnight and 8:00 a.m. unless such vehicle is in a driveway approach or otherwise parked behind the curb where curb exists. This law allows for snow removal and is in effect until April 1st, even when there is no snow.

Hyrum City Ski Night – Wednesday, January 26th 5:00 p.m. – 9:00 p.m. at Beaver Mountain. Ski & snowboard rental packages will be available at the Beaver Mountain Rental Shop for \$12. Performance packages are \$20 and a helmet rental is \$10. Please call the city office and let us know how many will be attending. The resort needs to know how many to staff. Bring your friends!

Beginner group lessons are offered to those who have never skied or snowboarded. Individuals who would like lessons are required to register by noon the day preceding the ski night by calling, 435-946-3610, ext. 2. The fee for lessons when prepaid is \$12. Skiers & snowboarders must be at least 7 years old to participate in group lessons.

Dog Licenses – Any dog(s) four (4) months or older is required to be licensed with Hyrum City. Dogs are required to be licensed even if they stay inside your home or never leave your yard. The license fees are as follows:

Neutered/Spayed dogs - \$12

Male/Female dogs - \$22

A veterinarian certificate is required to verify rabies vaccination and the dog being neutered or spayed. All dogs must be licensed by Monday, February 28th. After February 28th a \$5 late fee will be assessed in addition to the regular license fee. Owners will be issued a citation for failure to have his/her dog properly licensed. Also, please remember that City Ordinance permits a maximum of **two dogs per household**.

Business Licenses – All current business licenses need to be renewed. If renewal is not made by January 31st a late fee will be assessed. If you are starting a new business, please come into the Hyrum City Office and pick up an application. There is a \$10 application fee plus the following: home occupation business \$20; and commercial business \$75. If you have any questions, please contact the city office.

Indoor Walking – Beat the winter blues by visiting the Elite Hall during free public walking hours every Monday – Friday from 7:00 – 10:00 a.m. All are welcome, but please supervise children and don't bring any food or drinks other than water. The Elite Hall will be closed to walkers on December 31st & January 3rd.

Snow Removal Policy – Snow removal from driveway and sidewalks: Section 12.04.010 of the Hyrum City Code requires property owners or occupants to remove snow from sidewalks abutting their properties within a "reasonable time" after the snow stops falling—the code stipulates 9 a.m. for snow accumulating during the night. This is especially critical for sidewalks used by school children and other pedestrians.

Section 10.20.095 prohibits the practice of depositing, blowing, or pushing snow removed from parking lots, driveways, or sidewalks onto the roadway. This includes pushing it across roadways to neighboring park strips, borrow pits, or vacant properties in such manner as to leave a residue or otherwise increase the amount of snow on the roadway.

We ask that you place the snow on your side of the property line behind the sidewalks, allowing us to push the snow from the roads onto the park strips or borrow pits.

Priorities for snow removal: Snow removal priority is based upon the amount of traffic and the number of homes, businesses, and schools serviced by a particular road. Please keep in mind that the length and intensity of the storm influences plow routes and frequency of plowing.

Major storms require us to remain on primary roadways until the storm subsides.

Garbage cans in the road: We also ask that you put your garbage and recycle cans out the morning of collection day and remove them as soon as possible following the collection. These containers do not need to be placed on the asphalt portion of the roadway but rather set back several feet from the asphalt to reduce chances of damage by plows and flying snow.

Be aware of our equipment: A loaded snowplow weighs as much as 14 tons. The drivers need room to stop, especially while plowing. Even if you have the right-of-way, let the plow come to a stop before pulling out in front of it. We also ask that you remain more than 50 feet away from the plows so your vehicle is not damaged by flying snow or ice removal materials.

Senior Center News – The Senior Center is open to ALL seniors Monday-Friday from 9:00 a.m. – 2:00 p.m. We are located at 675 East Main Street. Please call if you are joining us for lunch, 245-3570. The quilt & pool rooms are open every day except Thursdays.

Museum News – Did you know that January 29th marks the 159th anniversary of the Bear River Massacre? It was the largest massacre of Native Americans in US History and this single event changed the course for the lives of hundreds of surviving members of the Northwestern Band of the Shoshone Nation. In recognition of the tribe's continuous membership in our community, the museum is honored to focus our programming this month on the NWB Shoshone's current endeavors at the massacre site, or Boa Ogoi. During our Second Saturday event on January 8th, former chair Darren Parry will discuss the current work at Boa Ogoi to restore native species and prepare the land for the planned interpretive site. His comments will commence at 11:00 a.m. Then, for our Back in Time Children's activity on January 25th - 27th from 1:00 - 1:30 p.m. each day, we will explore "Boa Ogoi's Beauty" and learn about the natural resources surrounding Boa Ogoi and why it made such an appealing winter camp.

We will also discuss NWB Shoshone artifacts on loan from Mr. Parry, which will be on display in our Community Exhibit through June. Don't miss the experience of watching "Ron's Gone Wrong" on the big screen at the Elite Hall on Friday, January 14th during our FREE Family Movie Night! Doors open at 6:30 p.m. and the movie will begin at 7:00 p.m. Wear your comfy clothes, bring your pillows, blankets, bean bags, camp chairs, etc. and your own dinner and/or treats. This is a free public event and everyone is welcome! Finally, this month is your LAST CHANCE to visit the Smithsonian's traveling exhibition, "H2O Today"! The museum is open Tuesdays and Thursdays from 10:00 a.m. to 6:00 p.m. and Wednesdays and the second Saturday of each month from 10:00 a.m. to 3:00 p.m.

Elite Hall Restoration Committee - SAVE THE DATE! Jazz Nights at Elite Hall returns February 10th, 11th, & 12th!
