**Mayors Message** – Local participating municipalities have joined together and formed the Cache Waste Consortium. A request for proposals to haul garbage was issued and proposals were accepted until the end of August. There were four companies that submitted bids. Presentations were presented to the consortium the beginning of December. In January, it was agreed to begin negotiations with one of the haulers. Once negotiations are finished and a contract is signed, we will

be able to give you more details on who the hauler is and when we will begin the change in services.

Registration is open on our city website [www.hyrumcity.org](http://www.hyrumcity.org) for T-ball, baseball, and softball. Anyone interested in participating is encouraged to get registered.

Landscaping around the skate park at Blacksmith Fork Park will begin as soon as the weather permits. When completed, a ribbon cutting, and grand opening will be announced.

Sincerely,

Mayor Stephanie Miller

Metal recycling bins will be available for any metal (aluminum, steel, etc.). Please remember that refrigerators will be accepted only if Freon is drained.

**IMPORTANT Sewer Department NOTICE** - Hyrum City is asking everyone to be considerate of what is flushed down the toilet. Keep it simple, and stick to the three P's, Pee, Poop and Paper (toilet paper), that's it.

Recently, the main sewer line was clogged with solids that do not belong in the system. Unfortunately, this caused sewer to back up in a few people's homes. Most of the larger solids that clogged the line were flushable wipes and feminine hygiene products, namely tampons. These items do not belong in the sewer system. Despite flushable wipes misleading name, they should not be flushed and have been the cause of many systems backups throughout the country.

So please, be aware of what goes down your drain. It cannot only plug off your lateral but can also cause a sewer backup in your neighbor's line downstream. Neither of which is covered by the City's insurance. We encourage each homeowner to work with your homeowner's insurance agent to make sure you have the coverage you need and want for sewer backups and floods.

Hyrum City regularly cleans out the sewer lines to industry standards at the expense of over \$50,000 a year. If cleanings must be increased, it will come at a cost to the taxpayers. Please educate the members of your household and let's prevent these types of issues.
