HISTORY

Amended by Ord. 19-04 on 3/7/2019

17.80.010 Purpose

This chapter regulates the continued existence of non-conforming uses and non-complying structures as defined in HCC 17.04. While ~~legal~~ non-conforming uses, ~~and/or legal~~ non-complying structures and improvements may continue, this chapter is intended to limit enlargement, alteration, restoration, or replacement which would increase the discrepancy between existing conditions and in the development standards prescribed by this code. In addition, applications are reviewed to ensure that they are reducing the degree of non-conformity and improving the physical appearance of the structure and site through such measures as landscaping, building design, or the improved function of the use in relation to other uses.

17.80.020 Determination Of Non-Conforming Status

1. ~~Burden on owner to establish legality~~ Owner's Burden. The owner bears the burden of establishing that any non-conforming use or non-conforming structure lawfully exists.
2. Determination of Status. The Planning Commission shall determine the non-conforming or non-complying status of properties. (Ord. 08-13)

17.80.030 Authority To Continue

1. Continuation of non-conforming use. A ~~lawful~~ legal non-conforming use may continue subject to the standards and limitations of this chapter.
2. Continuation of non-complying structure. A non-complying structure that was lawfully constructed with a permit prior to a contrary change in this code, may be used and maintained, subject to the standards and limitation of this chapter.

17.80.040 Abandonment Or Loss Of Non-Conforming Use

A. ~~Abandonment of non-conforming use~~. A non-conforming use that is discontinued for a continuous period of twelve (12) months is presumed abandoned and shall not thereafter be reestablished or resumed. Any subsequent use of the building, structure, or land must conform to the regulations for the zoning district in which it is located. ~~Businesses and buildings granted approval for Light Manufacturing use in the Residential Agriculture Zone (RA) before April 1, 2008, may continue to be used for Light Manufacturing, and are not under the twelve (12) months time limit for continued use.~~ (Ord. 08-14)

~~1.~~ B. Rebuttable Presumption of Abandonment. The presumption of abandonment may be rebutted upon showing that during such period:

1. Any period of discontinued use was caused by governmental actions or an act of god without any contributing fault by the owner and the owner did not intend to discontinue the use; or
2. The owner can demonstrate no abandonment of the use.

A non-conforming use may not be enlarged, expanded, or extended to occupy all or a part of another structure or site that it did not occupy on the date on which the use became non-conforming. A non-conforming use may be extended through the same building or structure provided no structural alteration of the building or structure is proposed or made for the purpose of the extension and the parking demand is not increased. ~~Businesses and buildings granted approval for Light Manufacturing Use in the Residential Agriculture Zone (RA) before April 1, 2008, may be expanded within their existing parcel of property, but must meet site plan requirements in current City Code at the time of expansion.~~ (Ord. 08-14)

Upon filing of a complete application, the City shall post the property indicating that an application for modification of a non-conforming use has been filed and that more detailed information may be obtained from the City.
